Bronson, Florida – The Levy County Board of County Commissioners (BoCC) invites residents, property owners, business owners, and other interested stakeholders to participate in a series of public workshops to review and discuss the elements of the County's Comprehensive Plan.

The Levy County Planning Commission will conduct three workshops beginning at **5:45 p.m.** on the following dates:

- **Monday, August 3, 2026**
- **Monday, August 10, 2026**
- **Monday, August 17, 2026**

During these workshops, the Planning Commission will review each element of the draft Comprehensive Plan and provide comments, recommendations, and proposed revisions. Planning Commissioners will record their feedback directly into a shared working document to create a comprehensive record of their recommendations.

The Levy County Board of County Commissioners (BoCC) will then hold workshops at **9:00 a.m.** on:

- **Thursday, August 6, 2026**
- **Thursday, August 13, 2026**

At each BoCC workshop, the Board will review the corresponding draft Comprehensive Plan element along with the Planning Commission's comments and recommendations. The Board will have the opportunity to discuss the Planning Commission's proposed changes, provide additional direction, and add its own comments before the draft is returned to the County's consultant for further revisions.

The workshops will cover the various elements of the Comprehensive Plan, including future land use, transportation, housing, infrastructure, conservation, economic development, recreation, and other topics that will guide Levy County's long-term growth and development. Public participation is encouraged, and residents are welcome to attend one or all of the workshops.
