Press Release: Blue Springs Park and Henry Beck Park to Reopen Friday at 10 a.m.

Date of Issue: August 6, 2026

Bronson, FL- Blue Springs Park and Henry Beck Park will reopen Friday, August 7, at 10 a.m. and resume normal operating hours following the recent closures caused by heavy rainfall, elevated water levels and black water conditions.

While the parks are reopening, visitors and residents should be aware that water levels remain slightly elevated, and the water is darker than usual due to the naturally occurring tannins carried by floodwater. These conditions are improving daily.

Levy County Public Works Department appreciates the public's patience and cooperation during the temporary closures. We encourage everyone to enjoy the parks responsibly by following safety guidelines and using caution.

For any additional information, please contact Levy County Public Works Department at 352-486-5127.
